#Colour 4Life by *Faber castell*

Initiated by Alumni- Miss Sunayana Dey

Date: 21/02/2022

Venue: VIVA Institute of Applied Art, Virar East Campus.

About the activity:

Faber Castell's #colour4life campaign revolving around the theme of Navarasa, which represents the nine fundamental human emotions, brought a burst of creativity to students and artists alike. The nine emotions, ranging from love and laughter to sorrow and anger, serve as a rich palette for artistic expression.

In a collaborative effort, Faber Castell provided 30-35 color boxes to selected students, challenging them to paint their interpretations of Navarasa. The results were nothing short of stunning, with students using Faber Castell's vibrant colors to convey a spectrum of emotions. Their artwork was showcased on Instagram, tagging Faber Castell with #colour4life.

Sunayana Dey, an alumna who is connected with Faber Castell, introduced this invigorating competition to college students. The response was overwhelmingly positive. Students appreciated the quality of Faber Castell's colors, which helped them capture the nuanced shades of Navarasa. The theme allowed them to delve deeper into the emotions, and their artwork resonated with a diverse audience on Instagram, garnering praise and engagement. Faber Castell's gesture of sending gift hampers to the winners added an extra layer of enthusiasm to the event. Overall, the campaign successfully inspired and showcased the artistic talents of students.
