Vision:

Socially responsive
education to develop
culture & innovation.

Mission:

Committed to maintain communal harmony with ethics & aesthetics.

Ability to visualize creative solutions and personal vision informed by social and civic responsibility.
Educate and inspire students to be active participants in society with the highest aspirations for
creative social achievements, innovation, and better human being.

Goal:

The Institute is committed to evolve Art education through creative thinking, exploring the past and
striving to define the future underscoring study, criticism in a context that emphasizes cultural
diversity, community engagement and innovation.

To inculcate cultural and moral values in students by imparting education that meets the
academic and professional needs.

Encourage creative minds through interactive, proactive learning inside and outside the
classroom.

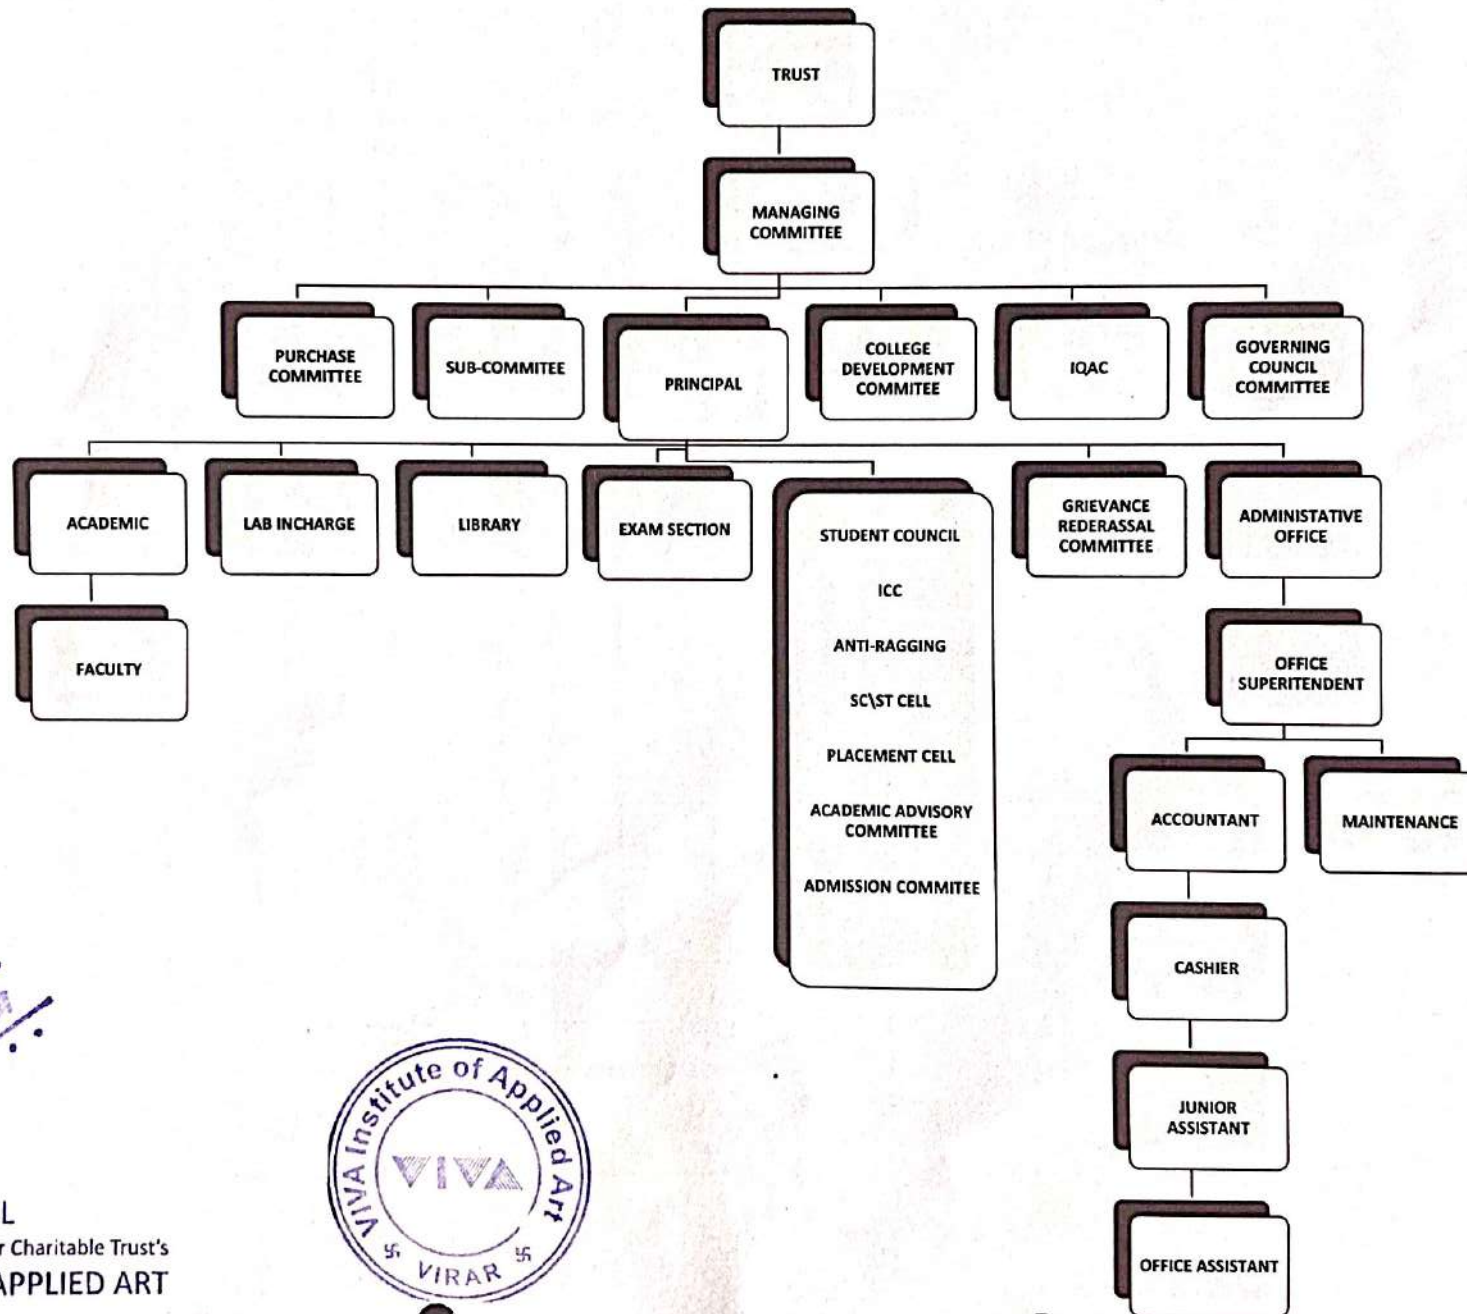

Meet the needs of the generation next through quality research and creative work, exemplary
teaching, and professional contributions to the community.

constituted to look into various aspects of the college administration, development and student & staff affairs. The list of such committees" is mentioned here under:

Sr. No.	Name of the body/cell/committee constituted
1	College Development Committee
2	IQAC Committee
3	Governing Council Committee
4	Academic Advisory Board
5	Librarian Committee
6	Examination Committee
7	Grievance Redressed Committee
8	Anti-Ragging Committee
9	SC/ST Committee
10	Internal Complaint Committee
11	Woman Cell
12	Academic and Administrative Audit
13	Admission Committee
14	Research and Development Cell
15	Intellectual Property Right cell

Functions & Responsibilities of Various Committees

College Development Committee

The College Development Committee (CDC) is the apex body of the institution that plans and executes the developmental activities.

The College Development Committee of the institute was set up in 2018. The College Development Committee is a very effective body in VIVA Institute of Applied Art which serves as link between the colleges, student community and Administration.

Functions and Responsibilities:

- To develop a system for improving the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement.
- To prepare the perspective plan.
- To look after budget allocation.
- To start new courses.
- To develop system to enhance day to day working.
- To promote research activities by organizing workshop / seminar.
- To promote the students for participating in various co-curricular & extra-curricular activities.
- To incorporate necessary amendments done in rules & regulations of Govt. of India/ Govt. of Maharashtra / AICTE / SPPU / Institute by appointing committees like Anti-ragging Committee, Internal Complaint Committee, Reservation grievances committee, Counseling Cell, Student Welfare Cell. Organization of alumni meet, IIR meets & parent meets.

Internal Quality Assurance Cell

The primary aim of the Internal Quality Assurance Cell, (IQAC) is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

Functions:

- The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the colleges.
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Acting as a nodal agency of the Institution for coordinating quality-related activities. Development of Quality Culture in the institution.
- Periodical conduct of Academic and Administrative Audit (AAA) and its follow-up. Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC
- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Dissemination of information on the various quality parameters of higher education

- Organization of workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmers / activities leading to quality improvement
- Acting as a nodal agency of the institution for quality-related activities.
- Preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters.
- Development of Quality Culture in the College.

The Role & Responsibilities of the Committee:

- To confirming appropriate, resourceful and advanced academic progress, administrative and financial tasks.
- The significance and quality of academic and research programmers.
- Reasonable access to and affordability of academic programmers for various sections of society
Optimization and integration of modern methods of teaching and learning.
- Ensuring the adequacy, maintenance and functioning of the support structure and services. Research sharing and networking with other institutions in India and abroad

Governing Council Committee

Responsibilities of the Governing Body

The Governing Council is the highest administrative body of the institute it meets once in a year and its functions are given below:

- To monitor academic and other related activities of the college.
- To review essential communications, policy decisions or any other similar notices received from the University, Government or AICTE.
- To pass the annual budget of the college.
- To review the audited statements of accounts of the college.
- To consider introducing new courses and changes in intake for the next academic year.
- To review the Memorandum of Understanding agreed and Industry collaboration proposal.
- To review the faculty positions of the college.
- To review the faculty development initiatives and programs.
- To review the admissions of the college.
- To review the academic performance of the students.
- To review the development activities of the students.
- To review the training and placement activities.

Academic Advisory Board

The Advisory Board plays an important role in the development of the department. Department-level Advisory Board will be established to provide guidance and direction for the qualitative growth of the department.

The Role & Responsibilities of the Committee:

- Serve as an ambassador and advocate to the program(s), providing a connection to and ongoing exchange of information and ideas with practitioners in the field and other external contacts.
- Attend biannual board meetings and other events/functions as requested. Review agenda and supporting materials prior to board meetings.

- Be informed about the program(s); its students, curriculum, services/supports, and activities, and inform others.
- Identify and present opportunities for students and/or host students for capstone projects or experiences.
- Assist with placement of program graduates.
- Provide support and advice to program(s), assist in the development of new programs, and identify best-practice standards.
- Realistically assess the market demand for program graduates and advise the program to ensure graduates with the skills required to meet employment needs.
- Assess the denomination of curriculum and teaching practice. Work with program staff and other board members to ensure that the program is delivering learning that is up to date and relevant to current business, industry, and professional employment practices.
- Assist with program marketing and promotion.
- Assist in the identification and recruitment of new board members.
- Advisers' time is precious, so make sure you maximize the time spent for advisory board meetings.
- Provide recommendations for topic presenters for advisory board meetings.

Library Committee

The Library Committee provides a forum for open discussion of matters relating to the library and its services, The Committee will look into the matters relating to the library such as procurement or adding up of titles, volumes, learning resources such as e-journals, e-learning material for the college for the academic year.

Functions and Responsibilities:

- To frame general rules for the management of the library.
- To prepare the annual budget estimated of the Committee. library for submission to the academic
- To allocate funds, from the sanctioned annual budget of the library to the Department and Centre of Studies for the purchase of books, journals, and periodicals.
- It invites the requirements from all the departments based on revisions in the curriculum as well as students through a requirement register available in the Central Library and in the form of feedback.

Examination committee

About the Cell:

The Institution has always benefited from the Examination Committee. The Committee has diligently and faithfully overseen the smooth administration of all College internal and external exams in compliance with Mumbai University regulations.

The Committee has proven its stability and expertise by quickly scheduling multiple additional university exams. Every academic year, the Committee is dissolved and a new Committee is constituted at the start of the following year.

Functions of the Committee:

- To administer exams, both internal and external, for every program the college offers.
- To create the exam schedule in advance and notify the students of it for the exams listed above.
- To assign the exam rooms for each exam that is held at the college.
- To guarantee that all of the exam questions are well-prepared beforehand.
- To gather all necessary supporting documentation and response scripts.

- To release the internal examination's findings within the allotted time.
- To respond to staff and student complaints and grievances regarding matters pertaining to exams.

Grievance Redressal Cell

The main objective of the Grievance Redressal Committee is to provide a simple, smooth, and readily accessible procedure for prompt disposal of the day-to-day genuine grievances of the student and faculty community to maintain a compatible atmosphere at an institutional level. The committee proactively gives an opportunity to everyone in the Viva Institute of Applied Art to be listened to so that any feeling of injustice is sorted out promptly.

Functions & Responsibilities:

- The function of the cell is to look into the complaints lodged by any student/faculty, and judge its merit. The Grievance cell is also empowered to look into matters of harassment.
- Anyone with a genuine grievance may approach the department members in person, or in consultation with the class in charge.
- In case the person is unwilling to appear in self, grievances may be dropped in writing at the letterbox/suggestion box which is placed at different locations in the institution
- The cases will be attended to promptly on receipt of written grievances from the students/faculty. The Grievance Cell will act upon those cases which have been forwarded along with the necessary documents.
- Use positive, friendly ways to resolve the crisis than punitive steps, which disturb the system.
- Reassure them that the authorities will be acting impartially and will try to resolve the matter as amicably as possible.
- The Grievance Cell will ensure that the grievance has been properly solved in a stipulated time limit provided by the cell
- The cell formally will review all cases and will prepare statistical reports about the number of cases received. The cell will give a report to the authorities about the cases attended to and the number of pending cases, if any, which require direction and guidance from the higher authorities.

Anti-Ragging Committee

The Anti-Ragging Committee has been constituted with the following staff as faculty members and as coordinators, and Students as members, headed by the principal in order to curb the ragging of the first year students in any of the college premises.

Functions & Responsibilities:

- The committee will monitor carefully any ragging incidences in the college premises, canteen, college buses, mess area and hostels through frequent raids by anti-ragging squad. 2. To monitor an undertaking in the prescribed format from the candidate concerned on anti-ragging at the time of admission.
- To address the students and parents by the head of the institutions on anti-ragging committee.
- Awareness parents, guardians of the students is created at the time of Dean's address and PTM throughout the academic year.
- To form monitoring cells (Anti-ragging squad's faculties for surprise raids).
- To suggest measures to tighten the security.

The Anti-Ragging Squad

Squad consists of members belonging to the various sections of the campus community. Functions of Squad

- The Squad shall have vigil, oversight and patrolling functions.
- It shall be kept mobile, alert and active at all times and shall be empowered to inspect places of potential ragging and make surprise raids on hostels and other hot spots.
- The Squad shall investigate incidents of ragging and make recommendations to the Anti-Ragging Committee
- Squad will work under the overall guidance of the Anti-Ragging Committee.

Objectives of Anti Ragging

Cell Anti-Ragging Committee will be the supervisory and advisory committee in preserving a Culture of Ragging Free Environment in the college Campus. The main objectives of this cell are as follows:

- To aware the students of the dehumanizing effect of ragging inherent in its perversity.
- To keep a continuous watch and vigil over ragging so as to prevent its occurrence and recurrence.
- Promptly and stringently deal with the incidents of ragging brought to our notice.
- To generate an atmosphere of discipline by sending a clear message that no act of ragging shall be tolerated and any act of ragging shall not go unnoticed and unpunished.

SC/ST Committee

SC/ST Committee has been constituted in the Institute as per the statutory requirements and resolve the issues related to the SC/ST Employees and Students of the Institute. The primary focus of SC-ST Employees and Students of the Institute is to empower students who belong to the schedule committee was formed with the intention to implement various schemes meant for educational purpose through the institutional policies which provide importance to social justice, economic welfare, and social defense.

Roles & Responsibilities:

The Role & Responsibilities of the Committee:

Impartiality to the generality of functions mentioned, the Roles & Responsibilities of SC/ST Committee is to

- The scholarships and other benefit from the various schemes of the government to reach the students belonging to the category.
- Organizing extra coaching, remedial classes to support in the form of learning opportunities by oso as to bring them in par with good performers.
- To ensure equality among all the staff and students by counselling and sensitizing the stakeholders.
- The Committee regularly organizes interactive sessions and informal meetings with students to attend to their personal, social and academic problems.
- To deal with representations received from Scheduled Castes and Scheduled Tribe's candidates regarding their admission.
- To function as a Grievances Redressal Cell for the Grievances of SC/ST students
- Any other work assigned from time to time to promote higher education

Internal Complaints Committee

VIVA Institute of Applied Art is a coeducational institution providing equal opportunities to all. Men and women work together in a congenial atmosphere, however, if there are any complaints involving physical contact or advances, demand for sexual favors, sexually tainted remarks, and any unwelcome physical, verbal or nonverbal expressions of a sexual nature; it is addressed and appropriate action is taken. This cell aims at sensitizing the students and staff to work diligently to prevent sexual harassment in the college. Complaints of sexual

harassment shall be lodged with the Committee and appropriate disciplinary action is initiated by the members in accordance to the rules and regulations of the college.

Roles and Responsibilities:

- Prevent discrimination and sexual harassment, by promoting gender amity among students and employees.
- Make recommendations to the management for changes/elaborations in the Rules for students in the Prospectus and the Bye-Laws, to make them gender just and to lay down procedures for the prohibition, resolution, settlement and prosecution of acts of discrimination and sexual harassment, by the students and the employees.
- Deal with cases of discrimination and sexual harassment against women, in a time bound manner, aiming at ensuring support services to the victimized and termination of the harassment.
- Recommend appropriate punitive action against the guilty party to the Management.

Women cell

The objective of the Women Grievances & Equal Opportunity cell is to create an atmosphere of Equal Opportunity through awareness generation programs and to provide auxiliary support towards skill development and enhancing the employability of students.

Objectives of WDC and ICC

- To build a gender sensitive and inclusive campus.
- To prevent sexual harassment at workplace (college campus and classrooms)
- To undertake the awareness programmes on gender sensitization, woman rights and woman empowerment in the college campus.
- To develop a congenial environment for girl student as well as woman employees. (Including teaching, support staff and contractual as well as daily wages employees) allowing them to reach their full potential.
- To promote students, staff to undertake survey related woman empowerment (rural, urban, specially aided, and underprivileged) in the society.
- To develop skill among students by means of workshop, seminars, training programs for self-defence, self-reliance.
- To educate and create awareness among woman by informing them about Woman's Welfare Laws.

The Role of the Committee

- To act as Inquiry Authority on a complaint of sexual harassment.
- To ensure that complainant and witnesses are not victimized or discriminated because of their complaint.
- To take proactive measures towards sensitization of all those.

Academic and Administrative Audit

The purpose of the Academic Audit is to evaluate the performance of the various departments, and appreciate their achievements and give suggestions for further improvement of the quality of teaching, research, administration, and curricular and extra-curricular activities.

Role and Responsibilities:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- Development of Quality Culture in the institution.
- The principal may include any other related academic matter for audit in the terms of reference, which he feels desirable.
- The Committee should submit a report to the principal from time to time.

Admissions Committee

Admission Committee means the committee responsible to plan, organize and control the admissions to various programs conducted by the University.

The committee establishes and implements the criteria for admission to the various programmes. It maintains a strong presence across various social media platforms. In addition, the members engage in direct interaction with students through orientations. This is done to ensure queries are addressed, and also to build and showcase the programmes of the college through social media.

Objectives:

- To assist the management in getting maximum admissions to various programmes.
- To facilitate guidance and counselling procedures pertaining to admissions in the college.
- To help solve queries of parents and students interested in taking admission to the different programs in the college.
- To be responsible for assuring compliance with the admissions policies and practices of the college.

Role and Responsibilities:

- The Admission Committee assists the management in getting maximum admissions to various programmes offered by the college.
- Organizes online orientation to different student groups to increase admissions.
- Formulates and executes the admission criteria in filling the seats according to intake capacity.
- Guides students and parents to choose a suitable stream of the UG programme in line with the interest of the students and marks secured.
- Verifies original documents of the students.

- Prepares the list of admitted students and submits it to the administrative office.

Research and Development Cell

It encourages the students and faculty to undertake the research in newly emerging frontier areas including multidisciplinary fields. This enhances the general research capability of budding technocrats by way of participating in conferences, seminars, workshops, project competition, etc

Functions and Responsibilities:

- To create awareness and opportunities in Research and Development among the faculty and students and to create Research and Development atmosphere in every department.
- To create atmosphere among the staff members to take up Research projects and improve their knowledge, skills and qualifications by registering Ph. D's.
- To motivate the faculty members of the group for R&D activities in the area of their specialization

Intellectual Property Rights (IPRs) Cell

About the Committee

The IPR cell of the university ensures speedy and accurate identification and protection of innovations arising out of the research work carried out by the students and alumni of the Institute. In India, there are 7 types of intellectual property rights, namely – copyright, trademarks, patents, geographical indications, plant varieties, industrial designs and semiconductor integrated circuit layout designs. It is concerned with the protection of tangible and intangible property. IPR cell will form a Bridge between academic activities vis-à-vis industry. This cell will be dedicated to increasing the awareness and opportunities amongst young guns to provide them with competent career choices. Moreover, this Cell arranges various activities like IPR awareness - workshops, Training programs, Guest Lectures, Conferences, Seminars, and Case Studies. The IPR and Research Cell strive to fulfill the objective of making VIVA Institute of Applied Art recognized as a sincere Institute working in the field of research and education.

Kindly refer the website Government of India website for IPR <https://ipindia.gov.in/>

Roles & Responsibilities:

- To create awareness among the scholars, students, professors act about IPR, that it is protected by law, for example, patents, copyrights and trademarks, which enable people to earn recognition or financial benefit from what they invent or create.

- To create awareness about The Right to Intellectual Property is inserted in the Universal Declaration of Human Rights (UDHR) and the United Nations Declaration for the Right of Indigenous People (UNDRIP).

Functions of the Committee:

- IPR cell conducts activities to provide a clear understanding of the rights and responsibilities of the faculty, staff, and students to protect their IP's generated through research work.
- VIVAIAA IPR Cell is committed to encourage, protect, manage and commercialize Intellectual Property such as Copyright, and Trademark etc.
- Generated through the College. The cell creates conducive environment in the academics for the development of Intellectual Property.
- Under Intellectual Property Rights (IPRS), the inventor can get copyrights, patents, design and, trademarks and trade secret protection to shield an invention/creation from being duplicated or copied by another individual or business.
